70	70	13		30
71	71	13 ¼		31

### Tips

1. The string or ribbon must fit snugly to produce an accurate size.
2. Finger size can change depending on the time of day and weather; for the most accurate measurement, measure your finger at different times of the day, and on different days to compare.
3. Avoid measuring your fingers when they are cold or wet, as they will be at their smallest.
